

PUBLIC ANNOUNCEMENT

NOTICE IS HEREBY GIVEN that the City of Banks will be holding a community review meeting to present a draft Transportation System Plan (TSP) to meet anticipated transportation needs associated with future growth. This meeting follows an adopted review process that expands the Transportation and Growth Management (TGM) grant work effort initiated by the City nearly two years ago. The City has retained the consulting services of CH2M HILL to perform the project work tasks.

The purposes of this community review meeting are to:

- Provide a brief history of the project to date.
- Present the consultant recommendation(s) regarding future transportation needs and identified solution concepts to address the needs identified.
- Present the transportation projects recommended for inclusion in the City's transportation Capital Improvements Program (CIP) list and receive community feedback. Clarify that the TSP alternatives have not yet been considered (or voted on) by City Council.
- Discuss next steps – specifically, that City Council and Planning Commission will be deciding to accept the TSP for subsequent comprehensive plan amendment at a joint meeting on October 26, 2010. The point of this community meeting is to inform that decision.

A tentative meeting agenda is shown on the reverse side of this announcement. The draft TSP is posted on the City web site via the following link: <http://www.cityofbanks.org/> or available for review at City offices located at 120 South Main Street in Banks.

The City and consultant team would like to hear your opinions about the TSP proposed for Banks. The community review meeting is scheduled as follows:

DATE: October 19, 2010 (Tuesday)

TIME: 7:00 – 9:00 p.m.

PLACE: Banks Elementary School cafeteria
42350 NW Trellis Way
Banks, OR 97106
