

CITY COUNCIL WORK SESSION
Tuesday, September 10th, 2013 @ 6:00 PM
13690 NW Main Street
Banks, OR 97106

MEETING AGENDA

Work Sessions provide the City Council an opportunity to conduct informal communications with each other, review their meeting agenda and identify questions they may have for staff before their scheduled meeting. Work Session meetings are open to the public but do not include an opportunity for public comment or communication with the City Council. The City Council typically asks citizens attending the Work Session meetings to hold their Work Session agenda comments and questions for the regular public meeting. The regular Council meeting following the Work Session includes time for public testimony on agenda items, as well as public comment on Council Meeting non-agenda items.
