

Comprehensive Plan Amendment

Banks' Comprehensive Plan represents a cooperative effort by the City and its residents, businesses, and industries to establish a direction for growth and development in and around Banks. The Plan is composed of a set of goals, policies and implementation strategies. It also includes a Comprehensive Plan Map showing where various planned land use types are intended to be located. Any proposed change to the plan's goals, policies, strategies or map is submitted as a Comprehensive Plan Amendment.

How Do I Apply?

Request a pre-application conference with City Hall before submitting an application. To schedule a conference, please submit a Pre-application Request Form, and 2 copies of the proposed Comprehensive Plan Amendment and electronic copy. A pre-application meeting is arranged with the appropriate City staff and may include Planning and Engineering. You should also be present. Following the meeting you may submit an application for formal review. This application should include a Land Use Application Form, an original or reproducible version of the proposed Comprehensive Plan Amendment. These materials, along with a filing fee, should be submitted to City Hall.
