

Nature is always nearby. Clean air to breathe.
Clean water to enjoy. Trails to explore and parks to play in. The wealth of nature at the heart of The Intertwine gives us the promise of having one of the greatest park, trail and natural area networks in the world.

The power of partnership

The Bi-State Regional Trails network requires collaboration across city, county and state lines.

Partners in developing the 37 Bi-State Regional Trails:

- | | |
|--|--|
| Washington Sen. Maria Cantwell | Columbia County |
| Washington Sen. Patty Murray | Columbia Land Trust |
